

## **Invitation Letter from Dalian Government**

In order to further promote friendly exchanges and trade between Dalian and RCEP members and build a platform for promotion and sales exhibition of high-quality products from RCEP members in China, Dalian plans to set up the Commodity Exhibition for RCEP Members on Tianjin Street, a commercial street at downtown Dalian, for a long term display of the specialty products of RCEP Members, starting from May 1st, 2023 .

Tianjin Street is a pedestrian street, located at downtown Dalian. It is the oldest, largest and most famous century-old commercial street in Dalian that combines culture, tourism, catering and shopping experience in one, which has become a new consumer landmark for Dalian citizens, and a scenic spot for domestic and foreign tourists. In order to enhance the friendly relationship between Dalian and Australia, deepen the understanding of Dalian citizens about Australia through commodity exhibition, promote practical cooperation between the two sides, and achieve win-win development, we will provide a long-term free booth for the display of featured commodity from Australia. We sincerely invite you to organize the exhibition of featured products from your side.

## **Plan of Commodity Exhibition for RCEP Members**

### 1 . The purpose

We aim to provide long-term and free space for RCEP members to display featured local products through the establishment of commodity exhibition centers of RCEP members. The exchanges and practical cooperation among international cities could be further strengthened through the introduction of images and texts, featured products, and video materials. The friendly relations between cities are deepened by building platforms and creating conditions for friendly people-to-people exchanges and investment and trade cooperation between enterprises.
